WHAT WE'RE THINKING

And just like that, Lent is upon us. As we make our last minute preparations for this season, its good to have a template to follow to make the season fruitful. One idea: Keep it simple. The more complex our resolutions, the more likely it is that they are born out a type of spiritual pride and the less likely it is that we keep them. Lent really is not a time to prove how spiritually mature we are - Its a time to reaffirm our status as lambs in God's little flock.

WHAT WE'RE READING

We are currently celebrating the Jubilee Year of St. Francis - This is the 800th anniversary of his Transitus from Earthly to Heavenly life. During Lent the community will be reading and studying ["Francis of Assisi : A Seed for Eternal Life."](#)
